Here's a letter address to Carlos in October 2011 from a McKesson attorney. Read thru the letter and look at the attached Exhibit 1 for the Settlement Agreement that I mentioned. Notice in 9.2(B) that the only people "allowed" to talk to regulatory agencies is McKesson. This is one of the ongoing issues with this site and explains some of the current issues between the Grishams and McKesson.

Also, here are two letters I prepared and sent (with Gloria's input and approval) for ADEQ and a local economic development corporation in Arkansas. And, here's the agenda for the meeting we had with Curt Grisham in the Regional office last November. ADEQ participated via video conference.
